# ‘Īd Prayers

There will be 2 congregations for ‘Īd al-Fiṭr prayer,  
*in shā Allāh!*

The first will be at:

9:15 am, with speech in Urdu

We request those attending the first congregation to kindly park their cars in the shopping car park, which is across the road, in order to make it easier for themselves and for others when those arrive who are attending the second congregation.

The second will be at:

10:15 am, with speech in English

We request all **local** attendees of both congregations to walk it to the masjid for their respective congregations in order to minimise traffic outside the masjid area.

The day and date will be announced subject to the  
sighting of the moon.
